Shabbos Sans Rav

Morai VeRabosai and Ladies:

I usually make a super-special effort to make sure not to be absent from the Shul for נחמו, due to its special optimistic, almost-joyful quality (whew—we can finally do the laundry!).

I will not be in Shul this Shabbos, however, as I have decided to be at the זכר being made for my son Nechemya's new baby boy (being made by me, that is, at my home in ירושלים). This after my missing his last two shalom zachor's.

I also will be celebrating with my family our moving to ארץ ישראל, which happened Rosh Chodesh Av 14 years ago. We always used to celebrate it on שבת נחמו, until I became associated with a certain Shul...

So zeitz moichel, and have a wonderful Shabbos sans Rav.

Yarchei Kalla Invitation From the Rav

עמו"ש: Morai VeRabosai

In these days of אבילות and seeking נחמה over the חורבן בית המקדש, we are all looking for a method to jump-start the גאולה process. And if it has started already, we certainly want to discover ways to push it along, which means being מתקן the very flaws that led to the חורבן in the first place.

A much-overlooked "סיבה-ראשונה" is actually מפורש in Chazal - in two places!

Rashi in עמילות בתורה speaks of lack of first unraveling which ultimately leads to churban, as the נביא Yirmiyahu describes (and we read this on Tish'a B'Av morning in the Haftara) not making ברכות התורה as the subtle, unknown factor. The Taz (in a brilliant exposition in Orach Chaim 47:1) interprets this lack of ברכה to mean a lack of toil and struggle-to-understand Torah (see there).

Thus, hoping to do its share in a post-Tish'a B'Av repair of the churban, BTYA has a yearly 'summertime' Yarchei Kallah program.

The details of the program are not the purpose of this letter. This letter is simply-to urge everyone to participate!

We are talking about 10 nights of attending an hour-and-a-half night-seder, with מראי מקומות designed to give you the ability to delve into קידושין ונישואין, and plumb עמקות, by actually showing you what to delve into, and Rabbi Saffer then delivering a free-for-all -please-speak-up Shiur.

The Kehilla doing this together, bachabura, just makes it all the more powerful.

For details, help with chavrusas, answers to questions, or just plain suggestions, see or contact David Kallus, kallusdmd@gmail.com, or Rabbi Saffer.

See you there!

Yarchei Kalla 6

The beginning of the 6th annual Yarchei Kallah is here! This year we are learning Sugyas in Kiddushin. See the schedule posted on the bulletin and the Source sheet packets on the bima.

We need your help making this as successful as in other years:

1. Even if you did not sign up, please come! If you can only make it to specific nights...come and we will help you find a chevrusah
2. If you can donate a bottle or 2 of soda it would be greatly appreciated. Just put it out on the table or give it to Dr. Ari Stern or anyone in charge.
3. We seriously need volunteers to help with coordinating, setting up, and serving food for Yarchei Kallah. If enough people volunteer, you will probably only be needed for one night (unless, of course, you insist on the zechus for more). Contact tzvi Gherman at Craig.Gherman@swalegal.com to help out.
4. Sponsorships are available. That could be through donating money or prepared dishes to yarchei Kallah. We will be putting up a sponsor sheet iy'h .

For all of the above, please contact David Kallus-kallusdmd@gmail.com
