"Higher and Higher!"

This Sunday night, iyh, the Shul is reaching for a new "high ground" in its learning opportunities.

Led by Rav Avrohom Jacobovits, we will have a once-a-week-on-Sunday-night (meanwhile) learning group, where each Shul member is matched with an experienced older avreich, learning sugyos, and hopefully, ultimately, massechtos.

We will at first 'get our feet wet' with the sugyo in Shabbos about Chanukah, at a pace of about an amud each Sunday evening, from 9:00 to 10:00 PM, with a grand "siyum" on Chanukah at Rav Jacobovits's house. (Please do not tell him—I want this part to be a surprise.)

Rav Jacobovits will also address the chabura from 10:00 to 10:10 PM (maariv is 10:15).

Rav Jacobovits will lead the group, as a "sho'el u'mayshiv," though the hope is that each chevrusa-set will shteig together to figure things out.

The response from the olom has been, frankly, quite gratifying.

At first we said we can only accommodate 10 learners, but, BH, more want to join. We are working hard to enable that to happen, but it is not clear yet what will be with the 'overflow' (of course, you can just sit down and learn with us).

See you, IY"H this Sunday evening, as we enter this new, exciting chapter in the spiritual growth of Kehillas BTYA.
